

Nuff Said

Don't ever mistake
The soft voice
And the sweet smile
And the home-grown honesty and humility
For simplicity.
There are complexities to me
That very few
Ever get to see.
I am a super-sonic
Jaime Sommers bionic
Multi-tasking
Do-it-myself-before-asking
Get-up-and-stand-up-fo'-yo' self, kind of diva
Straight-up-minded, kind of diva.
And since both me and yo mama
Don't take no mess
I suggest
That you don't ever mistake
The soft voice
And the sweet smile
And the home-grown honesty and humility
For simplicity.

I am a complex diva
From head-top
To foot-bottom.
